The Withyholt
Charlton Kings, Glos.

Telephone: Cheltenham 54286

"LITTLE BEN" has been retained to replace his sire, Benjie Too, whose sudden death was such a blow to Mrs. Grice-Hutchinson last February. His dam is the winning bitch, **Dryad of Shuswap**, Dryad's female line, with one exception, is an unbroken one of winning bitches back to Ch. Mi Wun, including a litter sister of Ch. Chefoo, also a big winner. Can-Do of Shuswap, Mesdames Mosedale and Morgan's well-known bitch, and dam of so many winners is one of Dryad's few daughters.

At Stud: **Dennis of Shuswap**, by Minos of Adel ex Dryad of Shuswap, a big upstanding red dog; proved sire. Fee 5 gns.

High-class puppies occasionally for sale.

"Treebrigg" Chow Chows

STOCK from some of the finest Choonam strains was purchased from the late Mrs. V. A. M. Mannooch for the foundation of this kennel, and Mrs. Hall and her son, Bob, are enthusiastic supporters of the breed.

Choonam Lung Yen, born August 23, 1943, by Choonam Mong Yen ex Wupei Hu Nan, has been something of a late developer, for he is only now coming to his best. Already he has won some 200 awards, including 50 firsts, has several times been best of sex and best in show, and has won some 30 cups. His greatest achievement was to enter the ring for the reserve for the c.c. at the Midland C.C. Club's ch. show, Birmingham, May, 1946, having won both his classes. That he so narrowly missed the award on this occasion reflects no discredit. He is siring grand puppies.

The two good stud dogs, **Choonam Tung Lim**, born February 21, 1944, by Ch. Choonam Fang Yin ex Choonam Li Sang, a first prize winner, and **Choonam Chung Fang**, born June 13, 1944, by Choonam Hu Chung ex Choonam Li Che,

best puppy at Darlington, 1945, have not been shown much owing to lack of he.p. Both are siring sound typical stock.

The bitches are an equally strong team. **Choonam Li Weng**, by Choonam Hu Chung ex C. Li Che, was best Chow bitch at the Northern Dog Club show, Middlesbrough. **Li Che of Treebrigg**, born Sept. 18, 1945, by Choonam Lung Yen ex C. Li Weng, best puppy at Hartlepool and Stockton and best bitch bred by exhibitor at the N.E. branch of the Midland Chow Chow Club, May, 1946, winner of challenge certificates and cups at Welsh Chow Chow Cub ch. show at Cardiff, 1946. **Li Wong of Treebrigg**, born May 17, 1945, by Prince Ping Chang ex Ming Ting of Wong Tai, the only black in the kennel, is now nursing an all-black litter by C. Tung Lim. **Choonam Li Ting Su**, by Choonam Mong Yen ex C. Li Che, best puppy Middlesbrough, 1944, took a v.h.c. at the ch. show, Birmingham, May, 1946.

Also two litters of red puppies by C. Tung Lim ex C. Li Ting Su and by C. Lung Yen ex C. Li Weng. A. O. GRINDEY.

The Winning Chow Chows

VIKING OF BARWICK, by Rochow Trigger ex Brenda of Barwick (daughter of the c.c. winner, Choonam Tan Kuie), is a deep red with huge bone, an excellent front, small, deep-set, dark eyes, and small ears on a massive head. Brought out under the late Mrs. V. A. M. Mannooch at the record "Big Top" show in 1944, when he was best puppy in strong competition, he has never looked back. Best in show at the Midland C.C. Club's show in April, 1945, under Mrs. E. E. Roberts, at Aston, he followed up by taking third place in Mr. J. Hurst's "tote" for dogs at the same club's record-breaking open show in December the same year, with huge classes, in which the leading dogs of the country were competing. At the Northern Counties C.C. Club's open show, Leeds, in January, 1946, he was reserve best dog in show under Mr. Geo. Browning,

and in May, 1946, at the Midland C.C. Club's ch. show at Birmingham, under Mrs. Hewitt Pitt, he was reserve for the challenge certificate. In London on September 28, at the British C.C. Club's ch. show, he won the challenge certificate, and was best exhibit in show under Mr. Hartwell. A proved sire, he is at stud, fee 10 gns.

As a second string for stud purposes, Mr. Beet owns the shaded red, **Chumie of Chanda**, a grandson of the c.c. winner, Mulfra Zambo ex a granddaughter of the c.c. winner, Layo Wu—himself a winner at local radius shows.

Victory of Barwick (litter sister to Viking), another self-red, and very soundly built, has been mated to Solomon of Barwick (see Miss Collett's review). Puppies from this mating should be available shortly.

GLORIA OF HO-PING

PE T'SING OF HO-PING (by Ransom of Padua ex Lucinda of Ho-Ping), the well-known self-red, has sired a long list of first prize winners. He is a lovely headed dog, cobby and short coupled. **Gloria of Ho-Ping** is a two years old bitch by Pe T'sing ex Victoria of Ho-Ping, a winner of three seconds in her three classes at the M.C.C.C. ch. show in May, 1946. Her litter brother, **Ahmed of Ho-Ping**, owned by Mademoiselle Chardon, in France, has won a c.c. and reserve c.c. at his two outings there. **Chee T'sing of Ho-Ping**, an eight months old self-red bitch by Pe T'sing ex Loretta of Ho-Ping, will be shown later. Her litter brother, **Black Petah of Ho-Ping**.

owned by Mrs. Forman, of Newcastle-on-Tyne, has already taken many firsts and looks like having a brilliant show career.

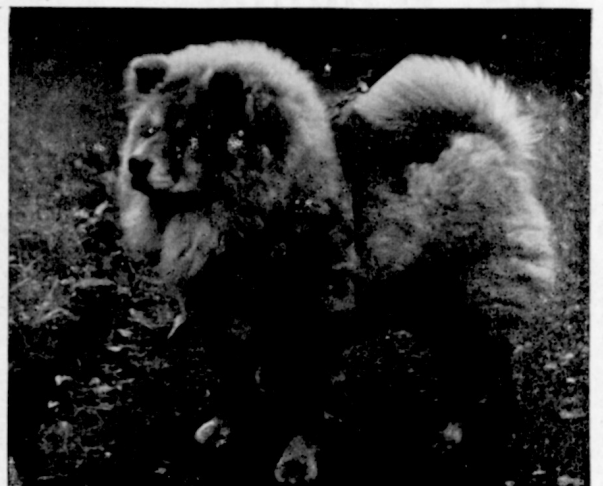

Besides Pe T'sing of Ho-Ping, King Kohl of Ho-Ping (well-known winning black), and Herald of Ho-Ping, Mrs. Mann has at stud **Paladin of Barwick**, by Choonam Hu Chung ex Jo-Anna of Barwick. This young dog is a proved sire and a keen stud. He is a big, heavily boned red dog with a very strong head, dark eyes and small ears. Stud fees are from 5 gns.

The bitches are a fine team. Puppies usually for sale.

ALSATIANS AND
CHOW CHOWS

CHIN OF SHIN-YERE

MANY would envy the "Byenrocs" their home, set in pleasant country surroundings with such splendid accommodation. Their owner is indeed fortunate in having her parents and her sister so keenly interested in the dogs upon which every care and attention is lavished. True animal lovers these, and genuine people with whom it is a pleasure to do business. Mr. Miles is the energetic chairman of the N. Birmingham branch of the British Alsatian Association, and a keen

member of the Midland C.C. Club, too.

The best in show winner, **Chin of Shin-Yere** by Kazan of Kin-Shan (T'sioh of Kin-Shan ex Rosemary of Kin-Shan) out of Lucky Star Attraction, granddaughter of the c.c. winner, Mulira Zambo, has numerous awards at breed and variety shows to her credit. As a brood she shows equal promise, judging by the splendidly headed bitch puppy by Warrior of the Broads, which has been retained but is as yet unshown.

Mong Chee of Silverway, an attractive, upstanding, light red dog, with excellent pigmentation and action, by Choonam Mong Yen ex Bounsa (great-granddaughter of Li Fo and Ch. Chinery), has done well during his puppyhood and will shortly be placed at stud. To complete the Chow team is **Anda of Arming**, by Sacha of Ho-Ping ex Yenda, a self-red who has been placed each time shown.

Of the Alsatis, **Hecuba of Rhamin**, a lovely sable bitch of excellent temperament, must take the palm. A granddaughter on her sire's side of Int. Ch. Gerolf of Brittas, and through her dam of Ch. Ulrica of Brittas (Ex.), this bitch has been a consistent winner and won a third in a huge puppy class at the first post-war open show (M.A.A., Oct., 1945) under Capt. P. L. Cecil Gurney. She has taken firsts under Major Gunn and Messrs. Pickett and Tom Scott, as well as numerous

awards under specialist judges. She will be mated this Autumn to a leading sire, **If of Copthill**, a first-rate brood, granddaughter of Quella and Ch. Orest of Brittas, has produced at least one

first prize winner in her first litter.

Inquiries concerning future litters and studs will be promptly and courteously answered.

A. O. GRINDEY.

HECUBA OF RHAMIN (at 8 months)

"Chusan" Chows

Head Study
CHE KWONG OF CHUSAN, taken at 6½ mths.

CHE KWONG OF CHUSAN, born Sept. 6, 1945, a home-bred bitch, by Choonam Mong Yen, is shown here at 6½ months, when at her first outing she took five firsts and was reserve best bitch under Mr. Wm. Robb. Twice winner of the "Adjung" cup, she was a winner at the first ch. show at Birmingham, May, 1946, and has won in varieties.

Chee-Kee Chang of Chusan, rich red, home-bred grandson of Ch. Choonam Hung Kwong, challenge cup and best in show winner under Mr. Charles Harrison, won the Redstone cup and the T'sun T'ching Yen trophy for best dog bred by exhibitor at the record-breaking open show at Birmingham, December, 1945, when he was a first prize winner. Excellently bred and a keen stud, he is recommended.

Owner:

Mr. Horsley Forster
Highfields, Barker Street
Huthwaite, Notts.

He is a dog his owner can well be proud of. **Chusan Chin Chu**, lovely brilliant red bitch and dam of Chee-Kee Chang, is a winning daughter of Ransom of Padua. She excels in head, legs and feet, and is the dam of many well-known winners.

Another winner is **Chin Chu Chin of Penmoor**, by Chee-Kee Chang of C. ex that lovely ch. show winner, Chinky Red Willow, whilst a most promising massively built black dog puppy, **Cheng Sahib of Chusan**, by Sitruc Sou of Smut, born July 27, 1946, out of Chusan Chin Chu, should further enhance the kennel's reputation when he makes his debut.

Visitors are always welcome by appointment.

Three Typical "Kelmoor" Puppies by Wong of Silverway ex Can-Do of Shuswap.

IT is one thing to purchase a good dog, but a very different proposition to breed one. However, the Kelmoor establishment has achieved this latter distinction so often that it is fast becoming a habit.

The foundation of the kennel's success has been the acquisition of the shaded red brood, **Can-Do of Shuswap**, herself a winner, by Choonam Fang Chen ex Dryad of Shuswap. Mated to Wong of Silverway, she has produced the following winners: Kelmoor Wong Sun, K. Averil, K. Dawn o' Day (third best bitch at the Birmingham ch. show, May, 1946).

K. Kover Girl, K. Keepsake, and the best in show winner, Kelmoor Kracker. Her latest products retained by the partners are K. Kassim, fawn dog and K. Karillon, fawn bitch, by Choonam Mong Yen, both winners at the ch. show, Birmingham, in May. The last named I selected as best of breed at Alrewas, and Mrs. Clemerson confirmed my judgment by making her best of sex at Beeston this year. She will be mated to a carefully selected stud dog next Spring, and those seeking first-class foundation stock will be well advised to make early application.

LATONA OF HO-PING

TELEPHONE: NORTHERN 2341.

OUR illustrations, taken when the subjects were between coats, hardly do full justice to the black bitch, **Latona of Ho-Ping**, by Pe T'sing of Ho-Ping ex Loretta of Ho-Ping, and the red bitch, **Salome of Barwick**, by Solomon of Barwick ex Chinah of Barwick, both eight months old when photographed; but the early promise of these two should be apparent to the discerning Chowist who must be able to judge a Chow "out of coat" successfully before he can truthfully assess it "in coat."

Latona is of the same breeding as the winning blacks, **Shah Kohl of Ho-Ping**, **King Kohl of Ho-Ping** and **Black Petah of Ho-Ping**. Salome's breeding alone is a pointer to her potentialities both in the ring and as a future brood.

Mrs. Bradley's remaining Chow bitch, a deep red, is **Yenda**, by Pe T'sing of Ho-Ping ex Victoria of Ho-Ping, who will be mated to **Paladin of Barwick**, by **Choonam Hu Chung** ex **Jo-Anna of Barwick**. Puppies will be for sale about February.

BRUTUS OF HO-PING (Head study)

A T stud to approved bitches is the deep red **Brutus of Ho-Ping**, born April 17, 1941, by **Coronag of Ho-Ping** (by **Ch. Rochow Adjutant**) ex **Lucinda of Ho-Ping** (by the ch. show winner, **Blue Chung** ex a daughter of **Ch. Rochow Adjutant**). A big dog with massive head, with broad, deep muzzle and small, dark, deep-set eyes, he has won numerous awards at breed and variety shows, including numerous firsts. At the Midland C.C.C. at Birmingham and Tamworth he was shown with success under Messrs. J. F. Blake, W. G. Browning, A. Demaine, D. D. Stobart, C. Harrison and Jos. Hartley-Baileff, who made him best of sex; under Mrs. L. Ingleton, Miss Enid Nicols, and Mrs. B. R. Geary, who made him best in show. His qualities as a sire are shown by the two puppies here depicted, by him, **Drena of Hanoi**, out of the deep, self-red **Princess Chanda Fu**, a grand mother with excellent pigmentation, a granddaughter of that fine old red c.c. winner, **Layo Wu**, cannot fail to appeal. **Pao Yu of Hanoi**, is a more recent addition to the kennel and is out of **Lady Precious Stream of Wey-Mere**, a blue by **Blue Chung** ex **Blue Gur-Lee**, who has taken numerous awards in strong classes and was best A.O.C. bitch under Mrs. A. Brown. This bitch puppy shows promise and has capital bone and substance. A fine youngster of similar breeding to **Pao Yu**, **Liu Cho of Hanoi** has already begun to make a name for himself.

Rosanne of Ho-Ping, by Pe T'sing of Ho-Ping (by **Ransom of Padua**) out of **Estelle of Ho-Ping**, was reserve best bitch at the Midlands C.C.C., Tamworth, 1943, under Mr. P. Whitaker, and has numerous awards under specialist

judges, including Mrs. Hewitt Pitt at Birmingham big show.

Puppies are occasionally for sale and a litter by **Brutus** ex **Princess Chanda Fu** will be ready soon.
