

1920'S CAMPER CAR SNAPSHOT WITH CHOW

HAPPY CAMPERS

CIRCA 1920'S CAMPING CAR
A very unique find in itself with
the bonus of a beautiful chow
included in the family vacation

Original and restoration in the private collection of Sandra Miller©

When this wonderful 1920's snapshot arrived in the mail it was hard to make out the details of what was behind this gorgeous old car , much less the chow to the left, and the young lad in the background. Once I converted this to black and white and started restoring the contrast and pulling details forward

it all came clearly into view!! I even cloned some background to the left of the chow to make him more a part of the photo rather than almost running off the edge.

ZAGELMEYER AUTO CAMP CO.

This is either a Camping car similar to what you see in the attached ad or it could be a tent trailer. At any rate, it is an amazing and rare photograph depicting a pastime which was all the rage in Roaring 20's America....travel touring and camping !! The extra bonus is this adds another unique chow with an automobile photo to my [CURATED COLLECTION!](#)
