

1930's Chow in a photo booth

Very rare Circa 1930's
A patient chow having
his photo taken in
a photo booth

This wee little 1 1/2 x 2" photo is in the
Private collection of Sandra Miller

1.5" x 2" hand tinted photo booth image

Of course I most likely paid too much for this adorable peanut sized photoBUT.....how many 1930's Chow Chow in photo booth images do you run across....so far this is a first..... in 40 years of avid collecting. To make this an even sweeter find,
