AUSTRIAN BORN CHILD ACTRESS

Thank you so much to ChowTales reader Jeff Austin, for letting me know about this lovely photo up for auction of Traudl Stark. I know I have this somewhere in my collection and could not find it to save me, so I went ahead and purchased

this original very large 5x7 original cigarette photo card and am so happy I did. The image was incredible and easy to restore!

SOURCE IMBD Traudl Stark was born on March 17, 1930 in Vienna, Austria as Gertraud Stark. She is an actress, known for Liebling der Matrosen (1937), Peter in the Snow (1937) and Seine Tochter ist der Peter (1936). She has been married to Jack Elliot (USA GI) since September 22, 1948.
