“TAILWAGGER” Magazine features the beautiful Carole Lombard on the cover posing with the famous line Ch. Chia Wan's Blue Bedouin

This handsome dog was linebred on the famous \$10,000 Chow Ch. Choonam Brilliantine

It comes as no surprise that this super star posed with a chow...her dashing husband Clark Gable loved and owned the breed as well.

Among my collection of magazine covers that feature Chows is this jaw-dropping magazine cover of Tailwaggers Magazine from 1939. This dog is from some very important bloodlines, going back to being heavily bred on the famous Ch. Choonam Brilliantine. Ch. Chia Wan's Blue Bedouin was sired by the also top winning Ch. Chia Wan's Red Monarch (who was sired by Ch. Chia Wan's Blue Monarch).

It is small wonder Carole Lombard looked like she was enjoying this photo shoot, as her dashing husband Clark Gable was a known lover of chows as well. [CLICK HERE TO READ MORE](#) about Clark Gable and his chow chows.
