PRINCESS OF EGYPT PICTURED WITH HER CHOW

Photo Credit unknown

What a beautiful photo this is of the gorgeous Princess Fawzia Fuad, Princess of Egypt. Sister to King Farouk of Egypt, she is considered one of the most beautiful women of her day, with her dark hair and blue eyes. How exciting to see this vision of perfection with a black chow. Fawzia lived a long life to age 91, passing only recently in 2013 (November 1921 – 2 July 2013)
