

# 1950's – German Actress Sonja Ziemann and her Chow

## SONJA ZIEMANN

1950's

GERMAN ACTRESS WITH HER CHOW DOG

I was so fortunate to be able to acquire this studio portrait of this beautiful German actress and her Chow ...the dog is either smiling or growling at the camera person. I found another photo of Sonja with what looks to be the same dog on Getty Images website but am unable to share it here.
