Above and below you will find screen shots I took from the video (scroll down) highlighting a few of the chows benched at the 1965 Crufts Dog Show in England...including a SMOOTH!. You will see the chows on the video at about time marker 5:56. Curiosity got the best of me , so I went on a hunt to see if I could find who was entered to try and identify these dogs. I hit the jackpot and found all the Crufts entries since the show began on The Kennel Club website in their archives, so I took screen shots of the 1965 entries and put them into a PDF -
