What an incredible honor to receive this special recognition from the CCCI at the National Specialty this year.

The bronze, designed by Vivian Shyrock of de la Moulaine Chows, was graciously donated by Zola Coogan

This treasured sculpture came from one of Zola's Supreme Chow awards from the 1980s to her record breaking Ch. Wah-Hu Redcloud Sugar Daddy

What an absolute honor it was to receive a text from Layla Loveless at the CCCI Awards Banquet to hear the Parent Club had given ChowTales this special recognition award for preserving the history of the breed. A special and heartfelt THANK YOU to Linda Love Banghart, Zola Coogan and Layla Loveless for their stealthy efforts in bringing this

idea to the club board of directors. Thank you from the bottom of my heart to the Chow Chow Club Inc. for your much appreciated support of my Chow History adventure.

I will be adding a separate archive entry very soon with a history of Ch. Wah-Hu Redcloud Sugar Daddy that Zola is writing for me. "Billy" was a record shattering chow that deserves his own page in the archives.
