

**ANTIQUE CHOW POSTCARD
COLLECTION – donated to the
archives by Mary Counihan**

Postcard donated to the ChowTales Archive by Mary Counihan

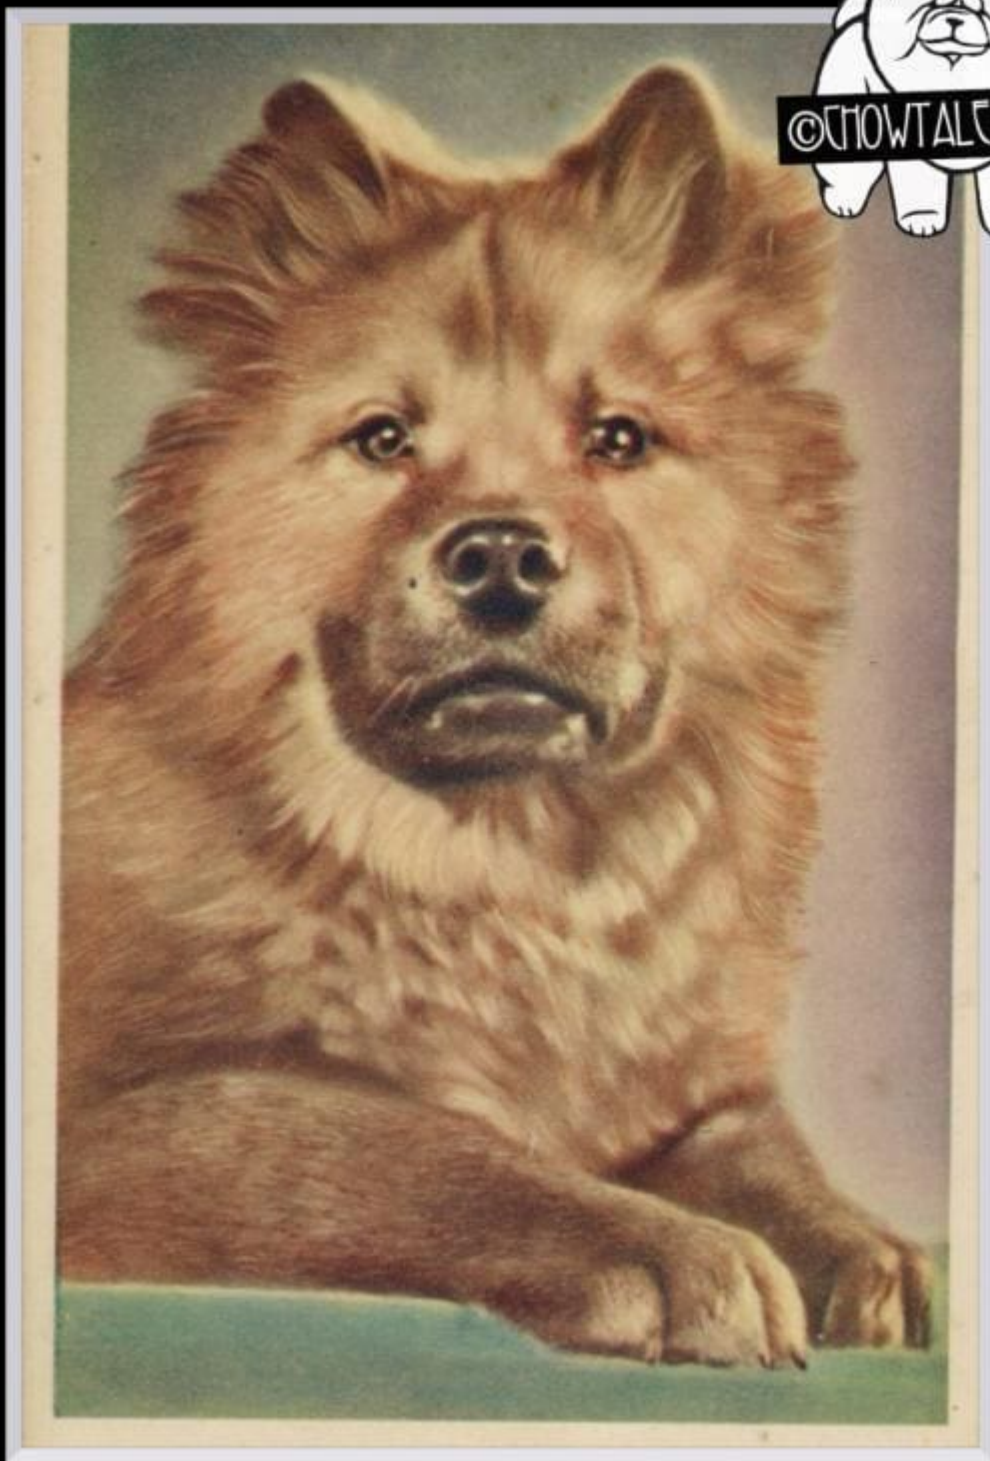

It took some time, but I finally have all but a few of the 50 antique postcards that were graciously donated by Mary

Counihan, scanned, labeled and archived. Most are undated with no postage, so that is another project for a rainy week....researching postcard backs to date them more precisely.

Most of the cards in the collection date from the 1880's -1920's. Many are RPPC (Real photo postcards) which was a service photo developers would offer. Bring them your film and they would make postcards for you, featuring your personal snapshots to send to friends and family.
