

# ARTICLE – 1939 Tally Ho (of Flora Bonney) Launches a New Era

## 1939 GAZETTE ARTICLE – TALLY HO CHOWS

When I was looking through my folders of old chow articles this weekend I stumbled upon this photo and could not help but stare and daydream about all these chows in their brand new state of the art kennel/living quarters.

How many chow GREATS are peering out from behind those kennels as well as in today's pedigrees? You can "spot" a few of her top winning dalmatians dotted in the kennels as well. Mrs. Bonney began her interest in chows in the 1920's, contributing greatly for many years to the foundation of our beautiful breed
