[ARTICLE BY GRACE COOLIDGE 1930](#)

This charming article describes in Graces own words how they managed to acquire so many pets at the Whitehouse including their two chows , “Tiny Tim” and “Blackberry”

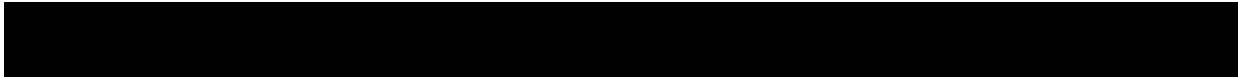

VARIOUS COOLIDGE CLIPPINGS

This PDF contains a variety of newspaper clippings I've collected that all reference the Coolidges chows Blackberry and Tiny Tim. Most are dated the late 1920's. There are some wonder stories here including why the Coolidges had to place Blackberry .
