Circa 1940 Postcard from France by Germaine Bouret

This absolutely charming postcard was sent to me in a message by a ChowTales follower Filippo Gianola who also adds the following information below. Thank you so very much Filippo for sharing this rare beauty with us!!

"It is interesting to watch the work of this designer on the internet (born 1907 French dad-English mother), with a humorous streak she used children and a large number of dogs of the breeds widespread in those years. Nice to also find the Chow"
