LIL DAGOVER - GERMAN ACTRESS
OF THE SILENT FILM ERA

Lil Dagover was a German stage, film and television actress whose career spanned nearly six decades. I feel extremely

fortunate to own all 4 of these images in my own collection. It is rare to find a single photo of an actress with their chow, much less finding multiple images of multiple dogs.

FILM STAR'S CHOICE.

Madame Lil Dagover, the German film star, flew from Germany last year to pick out a dog for herself. She chose a magnificent specimen, "Blue Moon," which has appeared with her in several films.

Above is the breeder Mrs Bernard Cuthbert of at least one of Lil Dagover's chows...one named "Blue Moon" is mentioned in an article at this post about [OMAR CHOWS](#)
