CIRCA 1914

YOUNG RUSSIAN BOY WITH HIS CHOW DOG

Considering the written history of Chows in Russia starts at about WWI, this image I purchased from Russia is an incredibly rare find.

The back of the photo was dated in pencil November 1914. Could this be a Chinese chow or is it from England?

VERY RARE RUSSIAN IMAGE-CIRCA 1914 YOUNG RUSSIAN BOY WITH HIS CHOW DOG

Considering the written history of Chows in Russia starts at about WWII , this image I purchased from Russia is an incredibly rare find.

The back of the photo was dated in pencil November 1914. Could this be a Chinese chow or is it from England?

The original gelatin silver print (inset) was very dark and full of pits and scratches. I was so glad I could bring out more detail via digital restoration to see this lovely pair, the expressions...the outfit. Priceless as they can be!
