

Mr. H. A. Wainscott's Noted Black Chow Chow

THE name LI WAN POO has become well known during the past year, this wonderful 14-months-old dog having won over 200 prizes, more than 100 being 1sts, silver cups, spoons, and specials. Whilst a puppy he was sixteen times the best A.V. puppy in the show, and has won 1st prizes under 25 different judges. At many open shows he had a great time in the Variety classes; for instance, at Walsall, under such a Chow authority as Mr. Chris. Houlker, he won twelve 1sts. At the last two shows of the Midland Chow Club he has been the best dog in the show, and at a number of shows has won cups and medals for the best of any breed. Shown every week for eight months, he has never been out of the money.

With his splendid breeding he should prove as great a success at stud as in the ring, his sire being a brother

of Ch. Akbar and his dam Kowa Sans Vena, a Cruft's winner, by Ch. Lenning, so that he is strongly inbred to the great Ch. Pusa of Amwell, which dog he closely resembles. With his glorious coat and enormous muzzle, he should correct light-coloured and poor-headed bitches. A well-known judge said of him: "Gorgeous coat of the right texture, capital body, and shortest of backs, great bone and substance, head massive and well nigh perfect, with tiny dark eyes, excellent gait, and real Chow type and character; went on to best in show."

A young bitch, LI WAN PUSA, by Ch. Pusawanli, in this kennel has won thirty prizes, and with such a start Mr. Wainscott, who is an enthusiastic supporter of many societies, has great opportunities ahead, but being a busy man he cannot attend mid-week shows S. S.

NEA T'U KWEI (age 11 months).

NEA POO YANG, by Baron Manuka ex Nea Blue Yun Yun, is the young cream dog who has won every time out, under Lady Faudel-Phillips, Mrs. Graham Williams, Mrs. Vickers, and Mrs. Mannoch. Poo Yang is already a proved sire, a lion to the life, tremendously Chowy in every detail, and with the best of the breed's magnificence magnified. Red this time is NEA WANGPOO, by Ch. Akbar ex Kow Tow, which is by Ch. Kowa Seke ex a Ch. Lenning bitch. Miss Peck bred this dog, and he is litter-brother to her Gengi and to Miss Casella's Red Cloud. Wangpoo came out at Maidenhead where he was 2nd to the late Ch. Chinnery, and his many wins since then include those at Bournemouth, Richmond, Bolton, Thame, and the K.C. He has remarkable bone, with an exquisitely short, deep body, head that is all massiveness, and a broad, strong muzzle.

The home-bred bitches have won equally well. NEA PING PO, by Nea Pongo ex Nea Polo, is a lovely red, very like her great-grandmother, Ch. Chefoo. NEA BIMBO is litter-sister to Nea Shaza. NEA BLUE CHARM is the daughter of Nea Blue Peter and Nea Sakota. NEA YAO SHEE has also added to her triumphs, and she is one of the greatest matrons of any period. That other celebrity, NEA SHAZA, has strung on many red tickets and two reserve championships to his previously long list. Unshown as yet is Shaza's lovely red daughter, and there are, amongst others, a six-months son of Ch. Akbar and Nea Smokey, and a quite perfectly fashioned dog and bitch by Li Po ex Nea Kien Lu.
