THIS year it is again a pleasure to illustrate a representative from the redoubtable Chow Chow kennel owned by Lady Faudel-Phillips, whose interest in this breed has for many years materially helped to keep it in the prominent position it holds in the canine world.

Many are the great winners produced under the affix "Amwell," but the most recent addition is QUONG OF SILVERTON, purchased by her Ladyship from Mrs. Coleby. Thirteen months of age, he is by Champion Choonam Hung Kwong ex Champion Sweet Jedworth, and his future will be watched with interest.

Once again it is a pleasure to record a most successful year for this kennel. Ninety firsts, fifty seconds, a dozen championships, and five times reserve for best of sex in breed have been recorded. CHAMPION PU YI OF AMWELL has placed 11 certificates to her credit (she now has 14 in all), and no fewer than 50 premier awards. She had the honour of being best bitch in show all breeds at the Scottish Kennel Club Ch. Show at Glasgow in February, and at Perth in July. She is only three years of age.

KO-WA HAUT MAJEUR

THE Ko-Wa Kennels have had a very successful year. Stock sired by Ko-Wa stud dogs have been very much in the limelight; many youngsters from the kennels have found satisfied purchasers abroad, where they are doing well for their new owners. That fine dog, Ko-Wa Haut Majeur, is siring exceptional stock, two of the latest out by him being Ko-Wa K'ami, and Ko-Wa Majori, two beautiful young red bitches that have done exceptionally well in breed and variety classes. Ko-Wa K'ami is also owned by Mrs Sparrow, who is one of the finest judges of the breed we have, and owns one of the most typical collections around London. Young stock is now available. Many dogs are at stud, including Ko-Wa Ta-He-Ti. Mrs Sparrow is always pleased to give advice to anyone interested in the breed.
