GREAT WESTWOOD HERCULES.

FEW kennels have achieved such rapid success as that owned by Mrs. Stanley Barratt, who began breeding only a year ago.

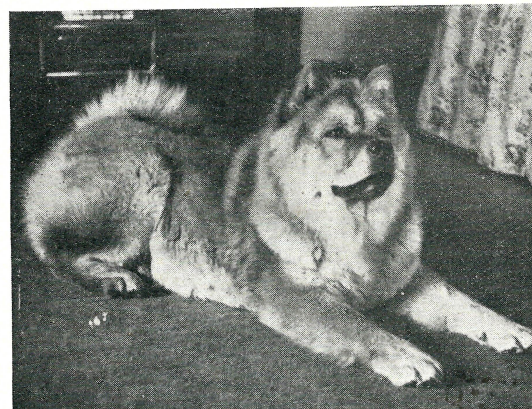

PAEONY OF CHUNGKING is by Ch. Rochow Adjutant ex Lacquer of Chungking, and was born October 27, 1936. This red bitch has won 15 first prizes and has been best bitch in show. GREAT WESTWOOD MERCURY is a lovely black dog puppy, as sound as a bell, with perfect legs and feet. He is just over four months old and by Son o' Sam ex Paeony of Chungking. GREAT WESTWOOD HERCULES is by Ch. Trumpeter of Chungking ex Hussar-Tu of Chungking. He is the winner of many prizes, including ten firsts and best in show.

Mrs. Barratt is interested in smooth-coated Chows, which seem to be coming to the fore again after a considerable lapse. The recently purchased Smooth dog puppy, GREAT WESTWOOD CUPID, by Yengalee ex Princess Janita, although only five months old, is well made up for his age, has a grand head and expression, sound front and straight hocks.

The group shows some typical "Great Westwood" Chows, all of which are faultlessly reared and possess remarkable quality and splendid temperament. Mrs. Barratt is an enthusiastic fancier and shows fearlessly. The dogs are constantly with their owner, which, no doubt, accounts for their admirable disposition.

Puppies are usually for sale. Some of them are by the illustrious sire, Ch. Choonam Hung Kwong, but several are being retained as great hopes are placed in them.
