**BICTON BLUE PETER.**

**T**HE blue Chow, BICTON BLUE PETER, was born October 18, 1914. Sire, Blue Shylock, dam, Sing Loo, by Blue Coat Chinaman. He is a lovely colour, and a faithful friend. Mrs. Osborne Gordon has exported some of his family to America.

The accompanying photo. is his blue daughter, aged six months. She is making a good Chow, and is training well in the way she should go, but was rather frightened in this snapshot.

Mrs. Osborne Gordon breeds Cairn Terriers also, and has a wheaten-red bitch, six months old; dam by Cairn Reich; sire, Raeburn Conas, which is already a keen sport, and will follow on horseback miles, Mrs. O. Gordon being an enthusiastic foxhunter
