PRINCE SHA-ZAH OF KIATANG
(at 5 months)

Pride of place goes to **Edward of Padua**, sired by that fine dog, Ch. Li Wu Fah and out of Elizabeth of Padua. He is two years old and is a considerable winner at both open and ch. shows. Siring fine litters of as many as seven puppies, he is an attractive proposition at a fee of 10 guineas (8 guineas to Club members).

A young black dog, **Prince Shazah of Kiatang** will have made his debut by the time this review is in print. He is out of Blue Waters of Kiatang, a grand-daughter of that famous blue Lalique of Limone, by Edward of Padua. Another stud force is the black, **Lee Tok Kwai**, siring excellent black and blues, with no signs of rust in their coats. He is litter brother to Blue Water.

Another bitch, also well-known in the show ring, is the black, **Soon-Dee of K.**, and one yet to make her debut is the black, **Si-Le-Ne of Adel** (by Black Shoh-Dee of A., out of Mannia of A.

In red bitches there is the deep red **Roma Sum Wu**, which is to be mated to a son of Ch. Choonam Hong Kwong.

Puppies from these bitches are for sale from time to time, and all enquiries for stock, or for stud services, will receive Mrs. Manegold's prompt attention. **G. M.**

JO-SAN Chow Chows

Miss J. O. Joshua, 78 Brentway, Finchley, N.3
Established 1928 Telephone: Fin. 1861

The mainstays of this small collection of Chows are the two red bitches, JO-SAN PAU-KI and her daughter, JO-SAN RAPUNZEL. Both were retired from the ring last winter for maternal duties and both, since their re-appearance in the ring this summer, have continued to add to their total of awards.

The two additions to the kennel since last year's review are JO-SAN HAMLET and JO-SAN LOVE IN A MIST. Hamlet is a bright red dog, by Ch. Sabu ex Jo-San Rapunzel, and his few outings have gained him entry into the stud book.

JO-SAN HAMLET at 9 months.
An untouched and unposed photograph.

He was best dog under Mrs. Grice-Hutchinson at Thane open show, and best exhibit under Miss Buckley at the National Chow Club's members' show —this latter, his only appearance at a members' show. He has been retained as a stud dog and will be available to a few selected bitches when this review appears. His breeding combines the Chungking and Rochow lines and he is confidently expected to transmit the balance, legs and feet, for which he has been bred, and which have made his

sire famous. These qualities, combined with the body and front of the Jo-San bitches, should make him a worthwhile stud proposition.

Love in a Mist is a blue bitch, by Blue Gorgon of Adel ex Jo-San Pau-Ki. She is retained to carry on the interest of this kennel in "any other colour" classes.

Breeding plans for 1949 are as yet uncertain, but a few puppies from carefully selected matings may be available occasionally. **G. M.**

MAIRIM Chow Chows

Mrs. SIMPSON, 59, Albury Grove Road, Cheshunt, Herts

THIS small but high-class kennel of blue and red Chow Chows is kept under ideal conditions in well-made buildings with spacious runs. No wonder every inmate is so fit. A typical example of the class kept is **Mitzi of Gaywood**, a grand blue bitch which has been best of breed so many times. This year she won the reserve c.c. at Cheltenham, and the c.c.s both at Blackpool and Richmond. I think I am right in saying that she is the best blue bitch in the country.

Other well-known winners housed here are

the red dog, **Mairim Red Warrior**, a fine up-standing dog with the best of heads and a grand body with good bone. Already a big winner at ch. and open shows he is now making a name as a sire of outstanding puppies. **Mairim Blue Jozi** is a grand blue bitch like her dam Mitzi. She is winning well and has been best of breed under well-known judges.

The latest out is that beautiful blue dog puppy, **M. Blue Yue Chung** (by Lintalee Boy

Blue ex M. Blue Jozi). He is, I consider, the most outstanding blue seen out for years and he is already winning at ch. shows. Reserve c.c., Leicester. K.C. Junior Warrant. There is also his litter sister, **M. Blue Woo Tu**, of the same type and true Chow character. At Cruft's she won her three classes and the reserve c.c. There are also two dark-red bitches which are breeding exceptionally promising puppies which from time to time will be for sale.

Enquiries for stock or stud services will receive the prompt and personal attention of Mrs. Simpson. **J. F. B.**

I HAVE always been very impressed by **Anselm of Padua**, a son of Ch. Li Wu Fah. This beautifully-balanced, well-boned dog, is right upon his toes and has excellent action fore and aft, and a very nice head with square, deep muzzle and excellent expression. It gave me very great pleasure in awarding him the reserve c.c.

ANSELM OF PADUA

Su San of Pencisely, a very typical daughter of Anselm of Padua, has done quite a lot of winning in her short life of one year and seven months. Puppies are occasionally for sale for home or abroad.
